Introducing The Newly created ROF's Website

Dear ROF Supporters,

Due to the non-stop fundraising and charity activities as well as the launching of the Reaching Out Foundation (ROF) website, the newsletter No. #17 was delayed. ROF sincerely apologize for this delay. We endeavor to keep you updated timely about the activities of ROF.

We are excited to share with you that a young ROF Supporter from the third Vietnamese generation in the USA has created a web site for the foundation at no charge. The web site address is <http://Reaching-Out-Foundation.org>. We owe gratitude and sincere thanks to Miss Larissa Quynh Dao Le – soon to be Mrs. Robert Xuan Dinh, for her dedication to this project.

It is our honor to introduce this web site with a series of reports on the trips conducted by the ROF during the past years. The reports revealed short stories of each place of visit to help those families and victims trapped in a never-ending affliction.

Organizing such trips was not a simple task, yet filled with fun and excitement. Many good-hearted people who also wanted to give a hand to help others also came along. Moreover, students from abroad coming home to visit and wanted to do charity work also joined in.

Because of the limited financial availability, ROF needed to conduct extensive research and evaluation of each situation/institution requiring aid. ROF always applied the formula “be selective, be critical, and assess support based on a case-by-case basis” rather than a broad general approach. On each journey, at each destination, ROF exercised the same practices, including: visiting the needy on site, evaluating the difficult situation of each family and/or each unfortunate individual. After the assessment and consultation, we developed individual plans to ensure timely and adequate aid offered is based on priority, critical and unique situation with the hope that these victims would soon be relieved from their misery.

During the last 15 years, ROF helped contribute financially in the construction of many water vessels formed by either a use of special container, concrete, or plastic to bring water into the barren regions filled with hard rocks; thus supplying clean drinking water and helping flood victims.

ROF provided aid to many patients allowing them to bypass their critical stages at Cho Ray Hospital, The Constructive Institution, Children Hospital, and The Cancer Institution. As of the result, many people resumed their ability to - while struggled – get back to their normal life. ROF would like to invite you to visit the website, read more stories and look at some pictures as a reflection of the journey.

Sincerely,

ROF

ROF Annual Charity Fundraiser

Dear ROF Supporters,

It is hard to believe it was just a couple months ago we celebrated the ROF Annual Charity Dinner held on August 8, 2009. The presence of over 700 people, which included our dear Guests and Singers, who all appeared happy and excited as they participated in a joyful event for a good cause, gave us warmth in knowing many support and appreciate our charity work. ROF was very grateful seeing the many Guests happily situated in their assigned seats in a narrow restaurant, dining and drinking, enjoying the evening festivities and opening their heart and wallet to help raise monies . We would like to thank you very, very much.

Our Guests, as well as the Singers who offered their entertainment without receiving payment, contributed towards helping alleviate the suffering of the unfortunates. These are the people trapped in misery and poor condition and at the same time suffering from illness, accident, and often facing insurmountable medical and hospital bills, etc... without a way out. These are the handicapped children - blind, mute, deaf, crippled and the orphans cared by the Nuns who teach them skills with the hope that they would eventually be able to find work for a living.

The ROF charity event raised a net contribution amount of **\$32,705.00** . The Non-Profit Organization ROF would like to sincerely thank you - our Supporters, Guests and Singers for your trust in granting the ROF the responsibility to reach out to help those in dire need.

We wish you lots of good health, and that all is safe.

Sincerely,

ROF

Oh-Me-Ly Euro Cuisine Restaurant first Year Anniversary

There are many ways for restaurants to celebrate their first-year opening anniversary. They can offer complimentary food and drinks, or a special musical night, but there is a unique way to make the anniversary memorable for everyone who attends that day.

With that generous idea in mind, Miss To Nhu, who is the owner of O Me Ly restaurant, sponsored a dinner and gave the entire purchase of the meals that night to a non-profit organization for a good cause. The cause of helping those less fortunate than ourselves. Miss To Nhu decided to offer her generosity not to just any organization, but one she trusted and the Reaching-Out-Foundation received this honor.

The one-year opening anniversary of O Me Ly restaurant was held on Sept 13, 2009. With a kind heart and generosity in mind, over 140 people responded to this charity event from 11am to 9pm. Everyone had a good time and left with good feeling that their money would be

well spent on orphanages, children with disability and the sick elderly in Vietnam through the Reaching-Out-Foundation programs.

Purchases of all the meals made a total of \$2,100. We also received extra donations of \$1,012 from the guests. The children in Reaching-Out-Foundation programs would be getting a grand total of **\$3,112**. It was an overwhelming success thanks to the support of all the guests.

We would like to say thank you and appreciate all the guests who were able to make time and come to this event and to all the volunteers who worked along with this program to make sure everything was in place.

We extend our special thanks to these special people who made the event happen successful:

- Miss To Nhu who donated all purchases not just the “profits” to the Reaching-Out-Foundation.
- Mr. Hoang Thien and Mr. The My who volunteered to play the keyboard alternating all day. Their talents provided a cheerful daytime and relaxing nighttime.
- Mr. Hoang Trong Thuy from VNCR broadcasting and his wife Lucie who gave a lovely piano performance at the event.
- Mr. Nguyen Manh Cuong from Saigon TV broadcasting and Mr. Vu Trung from VNCR broadcasting who raised more donations with their beautiful singing voices.
- Well known singer Tuan Vu and popular singer Tommy Nguyen who touched the guests’ hearts and opened the guest’s purses and wallets with their beautiful singing. Extra money was also raised by these gentlemen.
- Mr. Ky Phat from TRE magazine who came to support this event despite his busy schedule.
- O Me Ly’s kitchen staff who provided excellent food and services through out the day.

The Reaching- out- foundation will continue our missions with all your generousities and help. We hope to see you again at our future events.
